OLVCS Athletic Council is announcing the opening of two (2) council seats. The council member seats are held for a three (3) year term. The Athletic Council at OLVCS provides advice and recommendations to the OLVCS Principal and OLV Pastor regarding sports matters dealing with the schools' PIAA and APL teams. The Athletic Council works to develop general athletic policies and guidelines for the sports teams, while also providing specific support and season coordination for each sport. If you are interested in sports and want to help ensure the future success of the sports program at OLVCS, this is an excellent opportunity to get involved.
